Brooklyn, NY 11219

Dear Mr. & Mrs. Klein,

On behalf of the Board of Directors, I wish to thank you for the games and toys you donated to our organization. Our Family Crisis Intervention Program deals on a regular basis with over 75 families where there exists a suspicion of abuse and neglect, many of these children are deprived of basic needs.

By providing these children with toys on Chanukah, we are conveying to them a message that someone really cares for them. May the *chesed* of your donation be a *zechus* for you and your family.

With wishes for all the best, I remain,

Sincerely yours,

Rabbi Shmuel Steinharter  
Executive Director
